Dear Clint,

Thank you for letting Room 3 from Wairakei Primary school come to the Tongariro Trout Centre. I quite enjoyed it and will tell you what I liked.

I really enjoyed exploring the museum and finding the answers to the questions on the clipboard because it was a fun, slightly competitive, new experience for me. Finding the facts was a bit competitive because I wanted to answer all the questions before anyone else.

Unfortunately, I did not. I also liked the macroinvertebrates because there was a little baby worm that was wriggling about and kept crashing into the side of its container.

I hope you have a good start to the new job! How is it? Are other classes still coming? Anyways, I wish you good luck fishing. A bad day of fishing is better than a good day at work, am I right!?

(PS I searched for fishing jokes to find that last one.)
